## **Principal's Report**

### **Student Success Planning**

- SSP Report: We have made some gains with our report awaiting some details regarding final finances etc in order to finalize the report.
- Influx resources - we received 8 boxes of decodable books to assist with the UFLI program with some books pertaining to the French Immersion program.
- Grade 3 assessments wrote the provincial assessment in May and results will be available in June. The results to be used for staff this upcoming school year to identify areas of concerns and where we need to improve or place our focus. Students who don't do well on the assessment will be tracked and asked to do a follow up assessment in the spring of grade 4.
- Vision Statement: **At École Grosvenor-Wentworth Park, we empower every learner to grow as a unique, culturally aware thinker—fostering compassion, respect, and equity—while building a vibrant school community that warmly welcomes and values all families.**
- Handling student emotions during assemblies: Impart the idea of good citizenship and supporting our classmates when they are being recognized for a special achievement.

- Track and Field went well and students did very well.
- Grade Five Closing - 1:30pm-3:00pm on June 26th.

- Field Day - June 13th was a great success and the kids had a blast. The whole day event was great and the kids had a blast.
- Soccer Nets - We had soccer nets on the front field that were moved when the Modular was being put in. Over the summer the nets were destroyed and they were later fixed and HRM was supposed to reinstall them and they got broken and damaged again and HRM removed them. Over the last three years, we reached out 2-3 times each year to get the nets back but there has been no response.

### **Finances**

- Request for funding by Laura Doucette: Story Champs Language Program - to explicitly and systematically prompt oral academic language as a foundation to success in school. The cost is USD \$388.73 converted to CAD is \$525.28. We can send this form to Jennifer and Kathryn to get further input on the program.
